

Dear All,

Since there is a demand for masks, I'm posting the details of Masks produced by one of our friends company Loyal textiles. They are a 100 year old textile mill and the leading exporter and manufacturer of technical textiles in Tamil Nadu. Their clients include top companies across Italy, Australia, Korea, Japan and USA.

High Quality and Comfort Reusable Cotton Masks(15-25 Washes)*

1. Single Layer Knit Mask with Silver Ion Anti-Bacterial filter : Rs 15 per pc

2. Woven Double Layer Mask: Rs 16 per pc

3. Hospital grade 3 layer Mask: Anti Bacterial inner layer, BFE 99.3% middle layer with Viral Barrier and Blood penetration resistant plus Water repellent outer layer. This mask is SITRA certified and offers protection equivalent to N95 mask but it has a far more comfortable fit for all day wear compared to N95 which has a restrictively tight fit that is only required for front line health care personnel. Rs 30 per pc

All prices are inclusive of delivery in TN for bulk orders and 5% GST

Protective Gowns and Shoe Covers

1) Poly Propylene Non Woven Melt Blown Composite (Disposable)

2) Non Woven Laminated Gown with Virus Barrier and Blood Penetration resistance (Disposable)

3) Woven Gown with with Viral Barrier and Blood penetration resistance that can be washed or autoclaved upto 15 times (Reusable)

Each variant will be supplied with matching shoe covers and head covers. All 3 variants will be 99% BFE and offer 100% protection as recommended by AIIMS and IIT Delhi. Delivery and prices available from Tuesday, April 7.
